## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Louisiana Quarterhorse Breeders Association, Inc.  
Video Poker Tax Supplement Fund  
Alexandria, Louisiana

We have audited the accompanying statement of financial position of the Video Poker Tax Supplement Fund of Louisiana Quarterhorse Breeders Association, Inc., (a non-profit, quasi-public organization) as of and for the year ended December 31, 2004 and the related statements of activities and cash flows for the year ended December 31, 2004. These financial statements are the responsibility of the **Organization's** management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note A, the financial statements present only the Video Poker Tax Supplement Fund and are not intended to present fairly the financial position of Louisiana Quarterhorse Association, Inc., and the results of its operations and cash flows in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Video Poker Tax Supplement Fund of Louisiana Quarterhorse Breeders Association, Inc., as of December 31, 2004, and the results of its changes in net assets and its cash flows for the year ended December 31, 2004, in conformity with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 1, 2005 on our consideration of the **Organization's** internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, and contracts.

The additional information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Video Poker Tax Supplement Fund. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly presented in all material respects in relation to the financial statements of the Video Poker Tax Supplement Fund.

## **REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Louisiana Quarterhorse Breeders Association, Inc.  
Video Poker Tax Supplement Fund

We have audited the financial statements of the Video Poker Tax Supplement Fund of Louisiana Quarterhorse Breeders Association, Inc. as of and for the year ended December 31, 2004, and have issued our report thereon dated June 1, 2005. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

### **Compliance**

As part of obtaining reasonable assurance about whether the Video Poker Tax Supplement Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions is not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government and Auditing Standards.

### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Fund's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over

financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of the Board of Directors, management and the Louisiana State Legislative Auditor. However, this report is a matter of public record and its distribution is not limited.
